ILENE B. ZACKOWITZ, Ph.D., CPE

CURRICULUM VITAE

EDUCATION

- ◆ Ph.D. (2000) Industrial/Organizational Psychology, California School of Professional Psychology, San Diego
Dissertation topic: Risk management in organizations
- ◆ Master of Science (1995), Industrial/Organizational Psychology, California School of Professional Psychology, San Diego
- ◆ Bachelor of Science with Highest Honors (1992), Psychology
University of Florida, Gainesville.

CERTIFICATIONS

- ◆ Certified Professional Ergonomist (CPE) #1105 (2001)
- ◆ Board Certified Disability Analyst and Fellow #5438-01 (2001)

CURRENT POSITION

Senior Human Factors and Safety Consultant
Vredenburg & Associates, Inc.
Carlsbad, CA (1998 – present)

Consults in industrial-organizational areas including organizational development and assessment, wrongful termination and retention, harassment and discrimination, OSHA compliance (Occupational Safety and Health Administration), ADA compliance (Americans with Disabilities Act), ergonomics, job design, job and task analysis, hazard analysis, injury reduction, risk management, and organizational development. Conducts and presents original research.

Serves as a forensic (the application of science to law) consultant for product liability, personal injury, and employment cases in the areas of human factors, safety, and industrial-organizational

psychology. Collects and reviews case material, inspects accident sites and equipment, and performs testing and evaluation.

Issues include hazard management, communication, and warning effectiveness; accessibility of housing and public areas; product/equipment design; reasonableness of conduct; human error; adequacy of supervision and training; behavioral expectations; employee discrimination and harassment; wrongful termination, discrimination, visibility, conspicuity, and lighting; perception/reaction times; and slips and falls. Has consulted on hundreds of cases and has qualified as an expert in San Diego and Orange County Superior courts.

UNIVERSITY APPOINTMENT

Consultant

San Diego Center for Education and Research in Patient Safety (2001-2002)

A joint effort of University of California at San Diego and the Veteran's Administration San Diego Healthcare System. Participates in research concerning issues critical to understanding the role of human error in medicine including performing structured interviews with medical providers regarding non-routine medical events.

INDUSTRIAL-ORGANIZATIONAL CONSULTING

Evaluation Specialist

Centers for Disease Control and Prevention

Atlanta, GA (2011)

Performs literature review and research services for various CDC initiatives including evaluating the current state of worldwide CDC sponsored Field Epidemiologist Training Programs (FETP).

Ergonomics Consultant

Metropolitan Transit Authority

Los Angeles, CA (2009-2011)

Performed ergonomic evaluations for bus drivers to help reduce the risk of repetitive motion injuries and increase safety. Trained MTA employees in proper ergonomic techniques when driving, lifting and bending.

Ergonomics Consultant

Cargill Corporation (2001-2002)

Performed ergonomics and job hazard analyses of railcar unloading, including, hose management, steam cleaning, fall protection, and working under railcars. Developed, conducted and analyzed organizational safety culture study.

Workplace Safety and Ergonomic Consultant

Access Ergonomics

San Diego, CA (1998 – 2001)

Consulted in areas of workplace safety and injury prevention, including ergonomic evaluations, preventative employee training and management training. Developed programs and wrote reports aimed at reducing workplace injuries. Conducted safety training seminars.

Clients included the following companies: William-Sonoma

VeriSign
Agouron Pharmaceuticals
County of Los Angeles
ITT Hartford
Oracle
Montgomery Watson
Next Card

Americans with Disability Act Consultant

Union-Tribune Newspaper

San Diego, CA (1999)

Developed an American's with Disability Act (ADA) plan, which included an evaluation of the accessibility of the production and office facilities, and plan for barrier removal. Human Factors and Safety Consultant

County of Ventura

Ventura, CA (1999)

Hazard analysis of the county trash collection program, which included evaluating equipment and procedures to identify potential hazards and making recommendations for safe operating procedures.

Human Factors and Safety Consultant

Ventura County Medical Center

Ventura, CA (1999)

Developed a back injury prevention program which included evaluating risk factors and developing recommendations to reduce back injury risk factors for health care workers.

Human Factors and Safety Associate

Error Analysis, Inc.

La Mesa, CA (1996 – 1999)

Collected and reviewed case material, inspects accident sites and equipment, and performed testing. Investigated hundreds of product liability and personal injury accident cases in the area of human factors, safety, and industrial-organizational psychology. Conducted, published, and presented original research studies in the areas of safety, human factors, and industrial-organizational psychology

Human Factors and Safety Consultant

Lens manufacturer

San Diego, CA (1995)

Developed response to an OSHA Special Order. Developed and implemented a new risk management program, redesigned jobs, and designed new tools.

EMPLOYMENT HISTORY

Ph.D. Intern

Error Analysis, Inc.

La Mesa, CA (1995 –1997)

Received training and supervision in all area of forensic human factors and industrial-organizational psychology consulting. Conducted and presented original research studies in the areas of human factors and organizational psychology.

Floor Manager

Rainwater's Restaurant

San Diego, CA (1994-1998)

Extensive knowledge in all areas of restaurant operations. Areas of expertise include: customs and practices regarding service and food preparations / handling, safety management, accident prevention, employee training, workflow analysis, risk factor identification and recommendations.

VOLUNTEER POSITIONS

- ◆ Elected Chair (2016-2018) of the Forensic Professional Group (Human Factors and Ergonomics Society). Has served as program chair and secretary/treasurer.
- ◆ Elected Program Chair of the Children's Issues Technical Group of the Human Factors and Ergonomics Society (current).
- ◆ Has served as Chair of various sessions at Annual Meetings of the HFES.
- ◆ Invited member of Special Education Advisory Council of the LA Mesa Spring valley School District (SELPA CAC)
- ◆ Served as a judge for the San Diego Science and Engineering Fair (2007, 2008, 2009, 2010, 2011)
- ◆ Volunteered at the Veterans Administration Hospital (Gainesville, FL) to plan and implement recreational activities for disabled patients.
- ◆ Elected officer of Leadership UF, a leadership honorary at University of Florida.

MEMBERSHIPS

- ◆ Human Factors and Ergonomics Society
- ◆ Forensics Professional Group of the HFES
- ◆ Safety Technical Group of the HFES
- ◆ Society of Industrial and Organizational Psychology
- ◆ Psi Chi Psychology Honors Society

STUDENT INTERNSHIPS

Researcher

Institute for Mental Health Initiatives

Washington, DC (1992)

Conducted research for a symposium for the 1993 American Psychological Association convention and planned a conference on childhood resiliency for top researchers in the field.

Peer Health Educator

Corner Drug Store, Crisis Prevention Center

Gainesville, FL (1990)

Participated in the New Tracks Program, designed to educate at-risk youth in vital life skills and drug education.

Medical Aide

Shands Hospital

Gainesville, FL (1990)

Assisted with care and feeding of newborn infants. Assisted medical professionals with examinations and other tasks, when needed.
